

Dental Network

Freedom of choice and convenient access to quality dental care

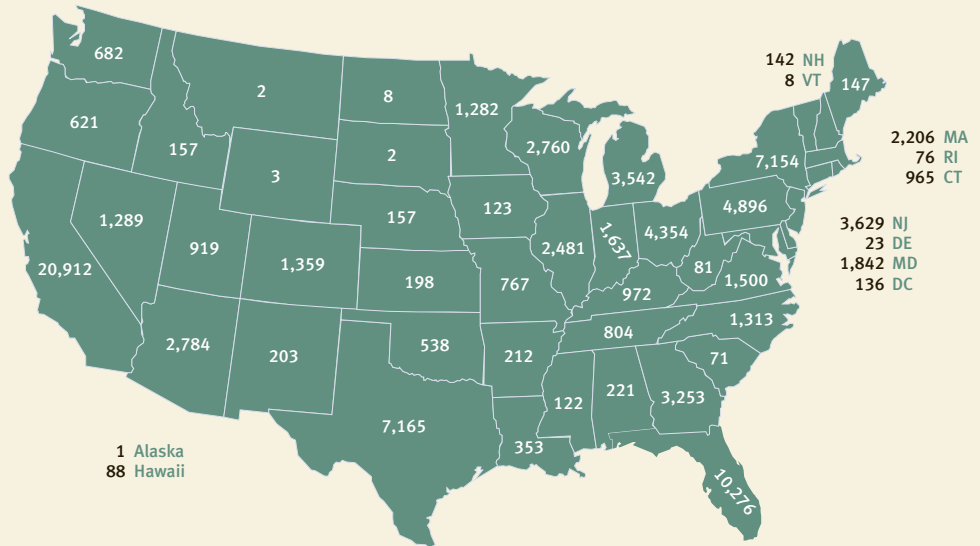

When considering dental coverage, the two features employers ask about most are convenience and choice of providers. Our dental product offers both with an expansive network.

1 Choose from an Extensive Network of Dental Professionals

- DenteMax has more than 94,000 dentist access points nationwide
- Choosing a dentist is hassle-free – no paperwork or waiting periods
- Each family member can choose their own dentist

Dentists by State

For more information about available dentists in the network, visit dentemax.com.

2 A Commitment to Network Growth

Through recruitment campaigns, DenteMax is constantly building its network to ensure members receive maximum access, cost-effective coverage and ultimately, increased utilization.

3 Quality Dental Care Assured

DenteMax only selects dental professionals committed to the highest standard of quality by continually verifying professional credentials and monitoring for sanctions or regulatory actions.
