# WELCOME

---

*Welcome to the individual Medicare SELECT Medicare supplement program from United World Life Insurance Company, that is mutually beneficial.* We are pleased to offer these hospitals to our policyholders. Medicare SELECT has a participating hospital network that is serving the medical needs of your community by containing costs while maintaining quality health care.

**For information on hospitals located in a specific area, please refer to the provider listings on the following pages.**

## IMPORTANT DIRECTORY INFORMATION

With Medicare SELECT Medicare supplement coverage from United World Life Insurance Company, you have the freedom to choose any participating network hospital in your area. If you need emergency care, your policy pays the Medicare Part A deductible no matter what hospital you use. For non-emergency care, you must use a participating network hospital for the Medicare Part A deductible to be covered.

## IDENTIFICATION CARDS (ID)

When you're issued your United World Medicare SELECT policy, you will receive an ID card. Please present your card whenever you receive medical services.

## PARTICIPATING HOSPITALS

Please understand that this directory lists participating hospitals as of the publication date. From time to time, hospitals may be added or removed from the participating hospital network. Before receiving care from a hospital, ask the hospital if it's still participating in the United World Medicare SELECT network.

For current information on participating hospitals call 1-877-617-5587 or visit our website at [mutualofomaha.com/medicareselect](http://mutualofomaha.com/medicareselect).

## IF YOU HAVE QUESTIONS

Our Customer Service staff will be glad to help with your questions or concerns about your coverage, participating hospitals or the care you receive. Please call Customer Service whenever you have a question, 1-877-845-0892.

**For details about your coverage, please read your policy.**

United World Life Insurance Company does not supervise, control or guarantee the health care services of any hospital, including those participating in the United World Medicare SELECT hospital network.
